Agenda Item No. 8(K)(1)

From: Carlos A. Gimenez
Mayor

Subject: Resolution Requesting Authorization to Award the FY 2014 Documentary Stamp Surtax Funds For Local Government Contribution to Projects Receiving Tax Credits

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or the County Mayor's designee to do the following:

- Approve the FY 2014 Documentary Stamp Surtax (Surtax) Request for Applications (County Request for Application) for local government contribution to projects that receive low-income housing tax credits from the State.
- Conditionally award funding of \$1.6 million in Surtax (funds under local match). Local Match is for applicants who will be applying for the 2013 Florida Housing Finance Corporation (Finance Corporation) Low Income Housing Tax Credits (Housing Tax Credits), and require a minimum local government contribution that is valued at a minimum \$100,000.00. The County would issue a loan of \$160,000.00, which would be valued at \$104,000.00 for the applicant to qualify.
- Issuance of awards is contingent upon the completion of a subsidy layering review process that includes an update to the awardee(s) current financial viability.
- Administratively provide the local government contribution commitment of funds contingent upon tax credit cycle success for FY 2013 applicants and future tax credit cycles moving forward.
- Execute all conditional loan commitments (Attachment A), local government verification of contribution loan forms (Attachment B), standard shell contracts, standard shell loan documents, amendments and other agreements necessary to fulfill the purposes of this resolution.

Scope

It is the intention of this request for application process to continue funding housing developments to expedite completion of affordable living units within Miami-Dade County while maximizing the leverage of County dollars.

Fiscal Impact/Funding Source

It is anticipated that \$1.6 million in Surtax funds will be needed as part of the County's Request for Applications process for local government contributions applicants. The recommended amount sets aside enough funding for up to ten successful local match contributions, if needed. Applicants that do not receive a Housing Tax Credit award will have their minimum local contribution rescinded. The County will adopt and use the Finance Corporation ranking order for development projects as the criteria for awarding County Surtax funds. Applicants who receive Finance Corporation Housing Tax Credits will be selected to receive the County Surtax allocation. In those cases where more than ten (10)

applicants are awarded Housing Tax Credits, the allocation may be increased to allocate to those successful Finance Corporation applicants.

Track Record/Monitor

Upon the approval of the local government contribution awards by the Board of County Commissioners, the Public Housing and Community Development (Department) Executive Director, Gregg Fortner, will monitor the award of low income housing tax credit awards by the Finance Corporation.

Background

This request for approval of the local government contribution portion of the County Request for Applications is synchronized with the award of funding from the State of Florida's Finance Corporation's Request for Applications (Florida Request for Applications) process, which allows proposed affordable housing developments to compete for Housing Tax Credits. In order for applicants, identified for local government contributions, to compete in the Florida Request for Applications process, a local government contribution commitment is required. The County Request for Application also includes funding for applicants that previously received Housing Tax Credits or other public funding and still require "gap" funding to complete their affordable rental housing developments. However, that is not a part of this authorization request to the Board.

This County Request for Application cycle is for threshold applicants who are applying to the Florida Request for Applications for Affordable Housing Developments Located in Broward, Miami-Dade and Palm Beach Counties for Housing Tax Credits and require a minimum local government contribution of \$160,000 to be considered eligible to compete for funding. Applicants will receive the minimum local government match contribution, if the application is complete and meets all threshold information requirements. The threshold information requested in the County Request for Applications is consistent with the Florida Request for Applications requirements and includes, but is not limited to, the following: 1) Development Team; 2) Project Proximity; 3) Development Status, 4) Ability to Proceed; 5) Local Government Contribution; and 6) Site Control. In order to be eligible for housing tax credits, an applicant must set aside a portion of the total units for low- or very low-income residents. Rents for housing tax credit units are restricted as set by the United States Department of Treasury in order to ensure that units are affordable to eligible families.

The process utilized by the Finance Corporation is very competitive. After meeting all required regulatory, financial and threshold criteria, projects are then subject to a lottery system. Final determination of the successful lottery participants is anticipated to occur in the spring of 2014, at which time only those projects/developers that receive Housing Tax Credits will retain the local match. All applicants who received a minimum local government contribution will have their allocation rescinded automatically if they are not awarded housing tax credits. However, the Board should be aware that the award of a minimum local government match contribution does not ensure future additional "gap" financing under the County Request for Applications for "gap" financing. Those proposals are evaluated and recommended for award separately.

Ranking Criteria

It is anticipated that all developers submitting an application and meeting the threshold for the local government contribution will receive a conditional commitment from the County to

include with their respective submissions to the Finance Corporation in response to the Florida Request for Applications.

Due Diligence

In accordance with the approved Resolution No. R-630-13, a due diligence signed affidavit was a requirement for the submittal of each application.

Dear Developer:

We are pleased to advise you that on _____, the Board of County Commissioners (BCC) approved a Conditional Loan Commitment for development activity at the above-listed property (the "Property"). The loan is conditionally committed for the [MAYOR OR MAYOR'S DESIGNEE – CHOOSE AS APPLICABLE: [[[payment of hard construction costs]]] [[[acquisition of the Property]]] as a portion of the development costs to [[[construct]]] [[[rehabilitate]]] the affordable housing units on the Property. This Conditional Loan Commitment is made based upon the application submitted by Borrower in response to, for HOME funds, the Miami-Dade County Consolidated Request for Applications for FY 2014 Funding – Housing Application, Book Two or, for Surtax funds, the Miami-Dade County Consolidated Request for Applications for FY 2014 Funding – Documentary Stamp Surtax Funding, Book Three (the "RFA") and is subject to the following terms and conditions:

Borrower: [[[NAME OF AGENCY/DEVELOPER]]]

Project: [[[NAME OF THE PROJECT, # OF UNITS AND TYPE OF PROJECT]]]

Loan Amount: The loan amount of not-to-exceed \$_____ is the amount approved by the BCC in Resolution No. _____ and includes all terms and conditions of such BCC approval, including project scope, activity type and, for federal funds, national objective to be achieved (the "Loan"). The loan amount may be decreased as determined by the Mayor or the Mayor's designee, based on the information and documentation provided by Developer

Conditions: The Loan is conditioned upon the terms, conditions and requirements set forth below (the "Conditions"). The County shall not issue a final unconditional loan commitment, enter into a funding contract, close on the Loan or disburse the Loan funds until all the Conditions are met.

Collateral: Upon satisfaction of the Conditions, Miami-Dade County (County) and Borrower will enter into a funding contract and loan agreement. The Loan shall be evidenced by a promissory note and secured by a construction/permanent mortgage with assignment of leases and rents, a collateral assignment of leases and rents, a collateral assignment of construction documents, a rental regulatory agreement (where applicable), and any other security or collateral as deemed appropriate by the Mayor or Mayor's designee, in his or her sole discretion, with approval of the County Attorney's Office. Borrower shall additionally be required to provide the County with an environmental indemnification agreement, a UCC-1, title affidavit, partnership affidavit (if applicable), corporate resolution approving the loan documents, opinion of counsel, certification of borrower to borrower's counsel, and title policy making the County an insured. The Collateral shall be determined based upon financial feasibility and subsidy layering

underwriting to be performed by County staff in an internal process and by an independent underwriter and paid for by Borrower ("Underwriting") following review of a current title search. Additional forms of security may be required if liens, encumbrances, restrictions or covenants exist on the Property which the Mayor or Mayor's designee determines, in his or her sole discretion, threaten the County's Collateral. The Mayor or Mayor's designee shall determine, in his or her sole discretion and in consultation with the County Attorney's Office, whether the Collateral provided by Borrower is sufficient to close and disburse the Loan.

Interest Rate: Loan terms, including the interest rate, are those set forth in the RFA, on page 20 for HOME funds or page 12 for Surtax funds, as modified prior to closing by the Mayor or Mayor's designee in accordance with the results of Underwriting.

Repayable: There will be no penalty for prepayment of the Loan (payment of Loan balance before the end of the repayment term). Repayment terms are those set forth in the RFA, on page 20 for HOME funds or page 12 for Surtax funds, as modified prior to closing by the Mayor or Mayor's designee in accordance with the results of Underwriting. The prepayment of any Loan shall not affect the term of affordability set forth in the Rental Regulatory Agreement or in any of the other Loan Documents.

Term: The Loan will be for the period of time set forth in the RFA, on page 20 for HOME funds or page 12 for Surtax funds, as it may be modified prior to closing by the Mayor or Mayor's designee in accordance with the results of Underwriting.

Conditions:

1. Underwriting, as explained above, shall include financial feasibility review, subsidy layering review, and credit review. Underwriting is performed to protect the County's scarce affordable housing funds and is performed to ensure that the Project has sufficient financing to be completed timely and that the Project is not over-subsidized, meaning the Loan is not needed or the Loan Amount is too high. The County reserves the right to reduce the Loan Amount subject to Underwriting. The County further reserves the right to refuse to issue a final, unconditional loan commitment to Borrower or to enter into a contract for the Loan or to close on the Loan in the event that Underwriting determines that the project is financially unfeasible or otherwise is unfeasible. The costs of Underwriting are to be paid by Borrower.
2. Borrower must prove control of the Property through purchase or lease, as evidenced by a deed or lease and recorded memorandum of lease in Borrower's name. Absence of any threat of foreclosure, taking by eminent domain, or pending bankruptcy are additionally required.
3. Borrower must provide the County with written financing commitments showing committed financing for the entire Development Cost of the Project, including any gaps between the Loan and the overall costs to develop the Project. The Development Cost of the Project means the total cost of completing the entire Project, from acquisition to the issuance of Certificate of Occupancy, including but not limited to the costs for acquisition, design and planning, zoning and variances, financing costs, legal costs, construction, and permitting. In the event of a dispute as to what amount constitutes the actual Development Cost, Borrower and County will use the amount determined by Underwriting to be the Development Cost.

4. Conformance of the Project design with the application submitted in the RFA, unless changes are approved by the Mayor or Mayor's designee.
5. Complete plans and specifications of the Project.
6. Payment and performance bond in the amount of the entire construction budget or otherwise in conformance with applicable law. Where a payment and performance bond is not required by law, the Mayor or Mayor's designee may alternatively accept – at the Mayor or Mayor's designee's sole discretion – a letter of credit in an amount acceptable to the Mayor or Mayor's designee.
7. Appraisal of the Property showing that the value of the Project and Property, when completed, exceeds the total amount of debt from all sources to be secured by the Project, unless waived by the Mayor or Mayor's designee.
8. A Phase I environmental report requiring no further action.
9. Such other conditions which are customary and reasonable for a loan of this nature, such as adhering to all Federal, State and local regulations, ordinances, codes and standards.
10. Meeting all requirements of the [[HOME]] [[Surtax]] program.

This Conditional Loan Commitment **will expire in six (6) months** if not extended by Miami-Dade County. An extension of this Conditional Loan Commitment must be signed by the Mayor or Mayor's Designee to be valid. If the loan does not close prior to the expiration or extension of this Conditional Loan Commitment, the funds will be subject to recapture and allocated to other projects.

This Conditional Loan Commitment is not assignable. This Conditional Loan Commitment is the sole and complete agreement between the parties as to the terms of the Loan described herein. The terms of this Conditional Loan Commitment may only be changed in writing in a document signed by the Mayor or the Mayor's designee. No representations, written or verbal, of Miami-Dade County employees, or others purporting to act on behalf of Miami-Dade County, may change the terms of this Commitment.

Miami-Dade County wishes to thank you for your proposal and the opportunity to provide financing for this development, and we look forward to closing this transaction.

Sincerely,
Miami-Dade County
